Logo Philosophy & Coverage

3 distinct check marks in Blue, Yellow and Red convey the meaning of "Absolute". Blue, Yellow and Red are primary colours and hence "Absolute" or pure. This is in line with our company name and what we stand for.

The check marks convey that we are in the business of checking / screening PEOPLE.

The black brush strokes across the 1st blue check mark and the 2nd yellow check mark convey the letter "A" & "P" of company name APS.

The word SCREEN is in red because one usually checks using red ink.

In the word PEOPLE the font is in white and background in various blocks of grey shade. The white font conveys that a candidate could portray an excellent image externally but may have a shady background and hence it is vital to screen.

The blocks of grey shades become lighter (when one reads from right to left) as they approach the word ABSOLUTE and the grey colour fades off to become white. White signifies purity and hence signifies the literal meaning of the word "ABSOLUTE".
